- **Players** please respect training times allocated. This means players must **not** enter the field until their session begins. In this way Coaches can dedicate all their attention to players currently being taught, and not be worried about safety or concerned with disciplining players who are a distraction.
- **Parents,**
 - Please pick up on time to avoid players being tempted to stay on the pitch. Milan Academy will endeavour to finish sessions on time.
 - Complaints from Athletes mean we must remind you to **not** enter the pitch at any time **or** obstruct dedicated athletics zones. **Please** use the tribune. Thank you for your understanding.

Look forward to seeing everyone soon
Warmest Regards
